Distances are estimates and can be used to help with distance between turns

#### Nov 30<sup>th</sup> Pre-Drive Notes:

- FM 455 West-bound after Left from FM-428 has a 1 lane bridge just around the blind curve
- FM 455 after one-lane bridge has 4 corners where the road surface is cobble-stoned; watch your speed through these corners
- Left turn into Rest Stop (T/A) is into the Truck area and navigation into car-side: watch for very large pot hole
- FM-455 in Slidell is starting construction on 12/2 and has some detour signs ready
- FM-922 from Valley View shows under construction but the West-bound lanes are only partially affected
