- You are welcome to do your own thing, just let the tour leader and tail gunner know your plans so we can change your position in the group.
- There are some sections of the route that are under construction (FM1434, and the second half of FM-205) but no gravel was found during the pre-drive.
- FM 51 is newly repaved; US-67 for the part we use is repaved and good
- We will have to go through Granbury but will turn RIGHT onto FM-4 at the RaceTrac on the corner. If all else fails, we will try to re-group at Race Trac if we need to.
