

Galveston 2022 – Day 3 Route Maps

Hopefully you got to enjoy a walk on the beach this morning or had breakfast at an interesting restaurant.

Today we are heading back to the DFW area via the slower route – ie, let's finish Galveston Island. The route will cross the island and then back North toward Waco. There is one toll for \$2 on the Galveston Island.

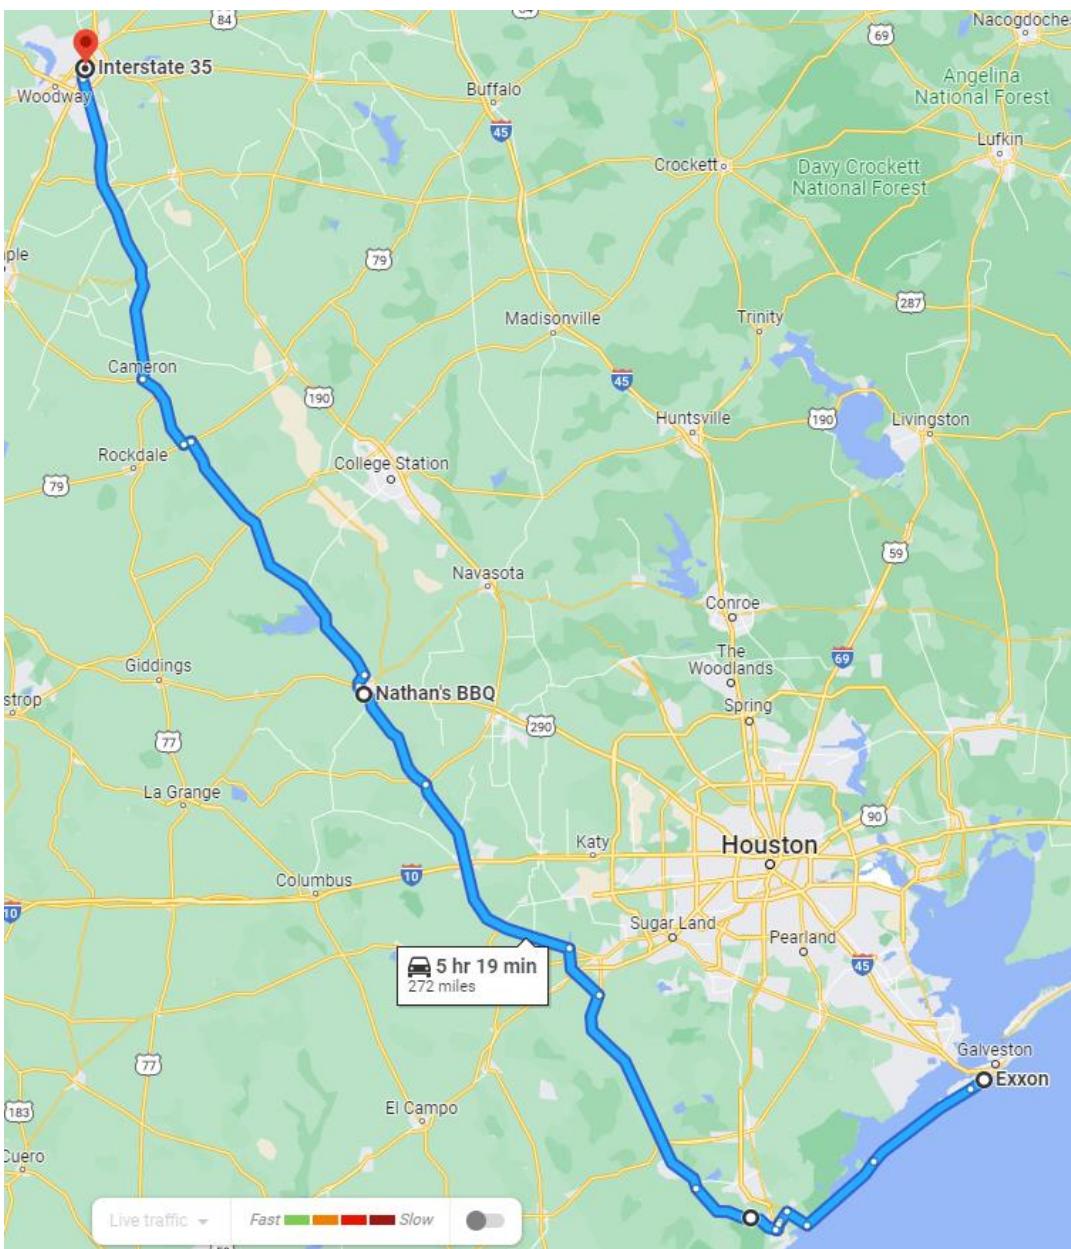

Start: Sunday, May 15th, 2022 12:00p meetup at Exxon at Seawall Blvd & 61st street (6026 Seawall Blvd, Galveston, TX 77551). If you see the Walmart on the Right, you have gone just a little too far.

During our Galveston Island travel, please be patient with the beach traffic.
