Special Notes:

- You are welcome to do your own thing, just let the tour leader and tail gunner know your plans so we can change your position in the group.
- We will be in the city for a while so we will all get stopped at a stop light here and there – the route tries to reduce the possibility, but we will most likely get separated. Please print the route instructions or request a copy of the inRoute GPX file to more easily allow you to follow along.
- The first half will be mainly in-city driving so please be patient as we travel the roads. The second half will enjoy a few curves and get us to Waxahachie without too much trouble. We will travel through downtown Waxahachie for a short period.
- Parking: At the restaurant – watch for pedestrians crossing the road; we will attempt to park on the right-hand parking area but if that fills up, we can use the gravel parking area on the left side of the road.
