

Eureka Springs Tour Information

10/07/2023

Hello everyone and thank you for joining us on a quick trip to Eureka Springs, Arkansas. Eureka Springs is a great destination with an interesting old downtown but our group likes the various twisty roads found in and around Eureka Springs. Hopefully our trip will coincide with some changing leaf weather and nice, cooler temperatures. If you wanted to find out more about Eureka Springs, check out the Chamber of Commerce web site (<https://www.eurekaspringschamber.com/>).

Since 2015, Raymond Mimick has scheduled our time for the trip to start on Sunday and end on Tuesday versus doing the event Friday through Sunday. This is mainly due to the difficulty in reserving hotel rooms and the volume of traffic found in and around the Eureka Springs area during those days. We hope you get to enjoy the roads and the mountain views.
