X Drives America

In celebration of the 25th anniversary of the launch of the X5, the BMW Car Club of America Chapters are participating in driving tour across the states. In the Lone Star Chapter area, we are part of the Southwest route that will eventually lead to Greer for the final celebration. There is a X5 Mini Model that is traveling with us, and we hope to get some good pictures along the way to document its journey.

Trip Odometer and Turn-by-Turn (Tourist Route)

The numbers in the left-hand column indicate how far between each step is. All numbered way points are AFTER any turn. The numbers on the map represent “Waypoints” – a mechanism used to force the route a specific direction. Those with a “+” mean that we will wait some amount of time at the location.
